DISTRICT OF BARRIERE Grant-in-Aid Application Organization & Individual

The District of Barriere provides Grant-in-Aid funding in order to assist non-profit societies/organizations that provide a community benefit. Funding is not guaranteed from year to year to encourage organization to work toward financial independence.

A Grant-in-Aid may also be given to a group or individual that will be representing the community at a provincial or national level event.

Each year, as part of the budget process, Council will establish a maximum amount for Grant-in-Aid funding for the year's budget. **No single Grant-in-Aid will exceed the amount of \$500 (five hundred dollars).** No single Grant-in-Aid will exceed 25% of the proposed budget for the event.

Applications will be considered by Council at an In-Camera meeting each month. On or before the first Monday of each month, applications will be accepted for Grant-in-Aid funding. Applications arriving after the first Monday will not be considered by Council until the next month's In-Camera meeting. Applications will be considered from non-profit societies and organizations as well as individuals.

The attached application form is to be used and accompanied by the required additional documentation listed below:

- Latest financial statement
- Budget summary
- Project budget
- Annual report (if available)

Incomplete applications will not be accepted and will be returned to the applicant. All complete applications meeting the specified criteria will be reviewed by Council.

Staff will prepare a summary report for each of the applications received, confirming eligibility requirements. This report will be attached to the applications and the applications sorted according to the categories listed below. Staff will prepare a report, category by category, listing the society/organization name and the amount applied for.

Grant-In-Aid Categories are:

- Arts and Culture
- Sports and Recreation
- Museums and Heritage
- Social, Educational, Environmental and Other

Preferences given to the following:

- Requests from an individual or group/team that has earned the right to represent Barriere at a provincial or national competition;
- Requests for one time only start up costs for new programs;
- Requests for one time events that have a benefit to the community;
- Requests that show initiative to work toward financial independence;
- Requests for operating costs for societies/organizations without the ability to become self supporting;
- Requests from societies/organizations showing a significant benefit to the community (as per the following criteria):
 - that promote volunteer participation and citizens involvement;
 - that use new approaches and techniques in the solution of the community needs;
 - whose activities/programs are accessible to a large portion of the community's residents;
 - that exercise co-ordination, co-operation and collaboration with other groups to prevent duplication of projects, programs, services or events.

Applicants will be notified in writing as to whether or not their request has been successful and, if successful, the amount they will receive.

All successful applicants must notify the District in writing, once the grant monies have been spent, and provide details on how the money was used.
