- a. CAO Update – B. Payette, CAO
**Submitted for information*

The CAO provided an overview of the written report.

It was reported that staff received an inquiry very late last week regarding a used, outdoor, skating rink with boards from Abbotsford was offered to be donated to the District of Barriere should the District want it. While the donation of the materials itself is at no-cost, costs for the concrete pad, transportation and install is estimated to be approximately \$200,000 total. A similar unit new is approximately \$600,000 or more. Staff estimate the annual operating costs to be approximately \$5,000 plus any costs to be set aside for replacement parts etc.

If the seller will hold it for an additional two weeks, Council would like to put the question out to the public via survey to determine their viewpoint and for staff to research some annual, similar facility costs incurred by other municipalities.

That the lights at the multi-use court be upgraded to LEDs at a cost of \$4,247.29 quoted from Spooner with the funds coming from COVID relief funds.
