

October 25, 2022

The District of Barriere
4936 Barriere Town Road
c/o Mr. Ward Stamer
Barriere BC

Let me begin by thanking Mr. Ward Stamer for agreeing to speak at our opening ceremony on December 2nd. The Barriere Recreation Society- known as The Barriere Curling Club has been awarded the Canada Winter Games Mixed Doubles Qualifier. For the first time Mixed Doubles Curling will be part of the 2023 Winter games in Prince Edward Island. In order to qualify for PEI, the BC Under Age 20 teams will need to win the provincial qualifier. This event will be held in Barriere December 2-4, 2022.

This is a fabulous opportunity to showcase our facility and the community of Barriere. Our club is offering the visiting teams and their support personnel our first rate, rural small town hospitality.

We are in need of financial support and sponsorship for this event. A Gold (\$500-\$1000), Silver (\$200-\$500) or Bronze (under \$200) sponsorship contribution from the District of Barriere would help support this event. Please make your cheque payable to Barriere Recreation Society or e-transfer to barrierecurlingclub@gmail.com. Include your business logo for the program. Your financial donation will be recognized on a wall display and the event program.

Thank you for your consideration.

Your truly,

Ms. Bernice Randrup
