

DISTRICT OF BARRIERE

Application to Appear Before Council or Committee

Anyone wishing to be placed on an agenda to address Council or a Committee may apply by delivering a request in writing to the Corporate Officer before 12:00 noon on the Monday preceding the week of the meeting. Delegations are contacted after the Agenda is finalized to confirm if scheduled or referred to a committee or future meeting. Council meetings are generally held at 5:30 p.m. on specific Mondays (see schedule posted online or contact District Office), at Municipal Hall. Special Meetings are held at other times as required.

"Legacy in Motion" Donor Installation

April 28, 2026

To: District of Barrière Mayor and Council

From: North Thompson Communities Foundation

Executive Summary

The North Thompson Communities Foundation (NTCF) is pleased to propose the installation of a commemorative "Legacy in Motion" donor wall within the Barrière Business Centre. To honor our 25th anniversary and recognize our regional donors, we are also concurrently proposing a sister installation at the Dutch Lake Community Centre in Clearwater. These installations will honor the generous contributors who make our community-building initiatives possible across the North Thompson region.

Project Objectives

These installations serve three primary purposes:

- **Recognition:** Providing a permanent, dignified space to acknowledge donors who invest in the future of our region.
- **Inspiration:** Showcasing the power of local philanthropy to visitors and residents utilizing these vital community hubs.
- **Growth:** Serving as a visible, modular representation of our endowment fund's ongoing progress.

Strategic Locations

Both the Barrière Business Centre and the Dutch Lake Community Centre serve as central hubs for development and community engagement, making them the ideal venues to reflect the ongoing partnership between the District, the community of Clearwater, and the Foundation.

Installation Design & Maintenance

The "Legacy in Motion" tree (design attached) is a modular, high-quality **wood** sculpture **attached to the wall using professional-grade, high-strength double-sided tape.**

Key features include:

- **Safety & Durability:** Designed for high-traffic public areas using reliable, high-quality materials.
- **Modular Expansion:** The design allows for the periodic addition of individual "leaves," ensuring the wall remains current without requiring structural changes.
- **Maintenance:** NTCF commits to managing all aspects of the installation, including the coordination of plaque fabrication, periodic cleaning, and administrative updates.

Proposed Next Steps

We invite the District to review this proposal and discuss potential placement locations within the Barrière Business Centre lobby or main thoroughfare. We are prepared to share technical schematics and work closely with municipal staff to ensure the installation complements the existing facility design. We are also pursuing similar placement discussions with the District of Clearwater for the Dutch Lake Community Centre.

Thank you for your ongoing partnership in building a stronger, more resilient North Thompson.
