4. BLOCK PARTY

Updates on the planning stage were provided by the committee members and other details were discussed to put into motion. Planning is going well and Staff will create a poster.

5. BARRIERE BLOOMS

Councillor Kibble thanked the Recreation Committee for taking on the judging portion of Barriere Blooms and requested if assistance with revitalizing the program could also be done. The committee was happy to assist and suggestions for this year were made.

7. BBC GRAND OPENING

The BBC will be available for a grand opening at the end of May, and it was decided Friday, May 31st to be the date. The Committee will take on the invitations to the direct people involved as well as opening the invitation to the public. The grand opening will consist of a BBQ with hot dogs, an open house chance for the businesses that are renting out spaces and for ribbon cutting. Staff will discuss event planning with the Chamber office as well.

8. MULTI-USE COURT

Ms. Mosdell provided the Committee with the update regarding Pickleball's request to Council for exclusive use of the Multi-Purpose Court. Discussion ensued but ultimately the ideas that were discussed to put into a policy were:

- Rate of \$20/hr for the entire booking, not per court.
- Rate of \$150.00/day for tournament or entire facility use.
- One organization can only book four courts at one time during league play.
- One organization can only book for a maximum of two hours.
- Courts can only be booked for a maximum of four hours per day.
- Winter skating can only be booked on the weekends for \$20/hr at a maximum of two hours per day by one group per day.

Discussion regarding other public areas were brought up and it was decided that if a space is not enclosed, no booking should be allowed by the District. A list of bookable facilities will be added to the policy.
