3. EVENT DATES AND BUDGET

The Committee reviewed the current DOB events planned for 2024 and confirmed the dates to be added to the Community Calendar. It was also decided that the Committee would like to add a Block Party event to the 2024 planning. It was agreed that this planning will be quite involved, and separate working groups will take place to plan for the June event on time.

The budget was discussed and while the 2023 budget was not fully used up, the Committee was cautious on spending due to it being the first year and would like to enhance these events moving forward.

Other details for separate events were brought forward but the planning for each event will be noted and discussed at future recreation meetings and/or working groups.

Moved by Glenda Feller

Seconded by Councillor Kibble

THAT the Recreation Committee recommend to Council that “Community Events” line item be increased to \$15,000 in Council deliberation of the draft 2024 budget.

6. BFFA CHARITY WALK

The Barriere Firefighters Association approached the Recreation Committee asking if it would be interested in assisting with a vendor market during their annual Charity Walk. They did confirm that last year they had a volunteer helper, and the Committee agreed that if this person would like to continue again this year, the Committee has no objection as there are multiple other ongoing projects. Staff will report back to the BFFA.
