We (NT Chapter of the Back Country Horsemen) are asking for a letter of support from the District of Barriere for a trail maintenance project we are proposing for 2023 at the Fishtrap campsite and maintenance of the existing trails that are utilized from the campsite.

I have attached a project description paragraph that might be of some help in constructing the letter. We will be requesting funding from the BC Back Country Horsemen.

We have a deadline of Jan 31st for submission. Please email your letter of support to this email address.

If you have any questions, please do not hesitate to ask. [REDACTED]

Thanks so much for this,
Cheers,
Connie Falk
