Subject: Re: THANK YOU

Hi Alexis,

On behalf of Barriere Elementary School, I want to extend a heartfelt thank you for coming to our school yesterday and delivering such an incredible FireSmart presentation to our students. The kids were absolutely engaged and excited, and it was clear that they gained valuable knowledge about fire safety and prevention.

Your team did an amazing job making the presentation both fun and educational, and we truly appreciate the time and effort you put into ensuring our students understood the importance of fire safety.

We are grateful for your ongoing support in keeping our community safe, and for making such a positive impact on our students.

Thank you once again for your dedication and for sharing your expertise with us. We look forward to future opportunities to work together!

Kindest regards,

Mike
