- Attended a meeting with the Chamber, Mr. Drexler and Mayor Kerlake
- Attended the C2C
 - My takeaway is that everyone is willing to collaborate, "Walk Together" but as discussed there needs to be an Action Plan or the discussions will not really amount to the actual potential of the ideas/plans
- Spring Granting complete for the North Thompson Communities Foundation
 - Lots of great initiatives supported
 - Gracious \$10,000 donation from Carman and Barb Smith for our Legacy in Motion campaign
- Attended Rec Committee Meeting
 - Discussed Stakeholders gathering
 - Discussed Block Party, June 20 - anyone wanting to help/volunteer please contact Jamie
 - We discussed the need to purchase a Square Terminal for all District Recreation activities. Multiple events are held where we need to collect revenue on debit and/or credit cards
 - **Requesting to Mayor and Council that the District pay for half of the machine, which is approx. \$400 before taxes.**
 - **Requesting \$250 and the Rec Committee will pay the remaining amount.**
- Home on the 27th to turn around on the 28th to go to SILGA in Revelstoke
