Kamloops, BC V2C 2A9

Re: Changes to the Free Dump Day Program

Please be advised that at the District of Logan Lake November 24, 2020 Regular Council Meeting, the following resolution was adopted:

*"THAT a letter be sent to the Thompson-Nicola Regional District in disagreement of the recent changes to the Free Dump Day program as the District of Logan Lake utilized the program;  
AND THAT perhaps a review be conducted in relation to the program for the rural communities that depended on the program;  
AND THAT a copy of the letter be sent to other rural member municipalities."*

The District would like to request reconsideration of this program, as many of the rural communities were greatly appreciative of this service.

Yours truly,

Melisa Miles  
Director of Corporate Affairs
