

DISTRICT OF BARRIERE

NOTICE OF PUBLIC HEARING

The District of Barriere hereby gives notice that it will hold a Public Hearing:

October 17, 2022 @ 7:00 pm

The Council of the District of Barriere will hold a Public Hearing pursuant to the provisions of the Local Government Act in Council Chambers at 4936 Barriere Town Road, "the Ridge", on October 17, 2022, commencing at 7pm, to consider the following amendment to the District of Barriere Zoning Bylaw No. 111. The hearing, held in conjunction with the Regular Council Meeting, will also be streamed electronically and those wishing to attend virtually can access the hearing by clicking on the link posted on the District website on October 17, 2022 @ 7pm.

Proposed Amendment: The subject property, located at 649 Barriere Lakes Rd. has made application to re-subdivide the previously severed, small portion off the property that created an additional Residential lot along Barriere Lks. Rd. The applicant wishes to reclaim a portion of the newly created lot, back into the original lot. The result will require two successful zoning amendments via *Draft Zoning Bylaw No. 111, Amendment Bylaw No 223*.

District of Barriere Zoning Bylaw No. 111 requires a minimum size for subdivision of a residential lot that is serviced by a community water system but not a community wastewater system, be 4,000 sq m. (just under 1 acre). The previously created property (Lot B) is 2,200 sq. m (approx. 0.54 acres) which was authorized by a successful Zoning amendment in 2021. This application further reduces this lot's size, resulting in its total size being 1,500 sq. m. (see text amendment Section 2.1 below)

In addition, once the portion of Lot B to be reclaimed is consolidated and added back into the original lot (Lot A) along Barriere Lakes Rd., the remaining panhandle lot's previously reduced, minimum road frontage authorized by the same Zoning Amendment in 2021, no longer is required as the consolidation result will now meet the 10% frontage requirement. Therefore, the second amendment is to remove the site-specific exception to permit the reduced frontage (see text amendment Section 2.2 below).

Site Specific Amendments:

Section 6.1:

"The Zoning of part of Lot B, DL1482, KDYD Plan EPP11548, shown hatched on Schedule 'A' to Bylaw No. 223, is amended from Residential (R) with a site-specific exception for minimum lot size of 2,200 sq m to Residential with a site-specific exception to permit a further reduction of minimum lot size to 1,500 sq m for the proposed resizing of the recently developed lot."

and

"The Zoning of the entirety of Lot A, KDYD Plan EPP11548, once consolidated with the portion of Lot B, DL1482, KDYD Plan EPP11548

being added to Lot A, shown as cross-hatched on Schedule 'A' to Bylaw No. 223, is amended from Residential (R) with a site-specific exception to permit the frontage, to Residential (R). "

FURTHER TAKE NOTICE that all persons who believe that their interest in property is affected by the proposed Bylaw Amendments shall be afforded a reasonable opportunity to be heard or to present written submissions at the Public Hearing on the matters contained therein. Those who are unable, or choose not to attend the Public Hearing, may mail (Box 219, Barriere, B.C., V0E 1E0), fax (250-672-9708), email inquiry@barriere.ca or hand deliver written submissions to the District of Barriere Office provided that all written submissions are received prior to 4:30 p.m. on the 17th day of October, 2022;

AND FURTHER TAKE NOTICE that no representations will be received by the District of Barriere after the Public Hearing has been concluded;

AND FURTHER TAKE NOTICE: Copies of the bylaw, supporting staff report, and any relevant background documentation may be inspected at the District Office, Monday through Friday (except Statutory Holidays) between 8:30 am & 4:30 pm or on the District's website at www.barriere.ca.
